

## BOAT REGULATIONS

- Owners of motor boats are requested to pick up at the Front Desk when checking in the regulations of Lake Maggiore, which must be compulsorily kept on board, during check-in the license plate of the boat and the license plate of the trailer will be recorded.

- Owners of motorboats are requested to carry original boat documents and the original valid identity documents of persons on board at all times.

- **Launching/exiting the boat:**

Option 1: On site, by our staff using the boat slip inside the campground.

PLEASE NOTE: Due to the lowering of the lake level, it is not possible to guarantee water launching service throughout the season, indicatively the boat slip can be used until the end of June.

Option 2: via boatyards located 2 to 4 km from the campground, for more information:

Semprinia Shipyard: <https://www.sempriniaboats.it/> , Baveno

Verbano Shipyard: <https://cantieredelverbano.com/> , Feriolo

- **Trailer parking:** no areas are available within the campground for trailer parking, Boat trailers will have to be taken to a partner facility 2 km from the campground of which we will give you the address once you check - in.

- **Boat transport** from the campsite to the boatyard: boat transport service from the campsite to the boatyard for launching/exiting the boat is available upon request and for a fee.

- Motor boats longer than 2.5 meters must have a regular identification mark of the province of Verbano Cusio Ossola it is necessary to have this plate before your stay, you can find all the information at the following link: <https://www.provincia.verbano-cusio-ossola.it/la-provincia/uffici-e-servizi/settore-iv/trasporti-mobilit%C3%A0-e-usi-civici/contrassegni-identificativi-per-i-natanti/>, we recommend that you send the request for the marks at least 2 months before your stay.

- We advise you to ensure your vessel with an insurance policy that covers damage due to force majeure events (strong storms, whirlwinds...), in case of mooring at the pier it is necessary to equip yourself with fenders, at least 4, and nylon ropes suitable for mooring, in order to properly moor at the pier.

- Boats / motor dinghies measuring 4 meters or less will be moored at the pier Boats / motor dinghies from 5 meters to a maximum of 7.50 meters will need to request a buoy rental.

- Small inflatable boats with motor less than 3.50mt must be kept at the pitch and declared on reservation.

- Inflatable with or without motors, boats, canoes, SUPs may not, under any circumstances, be stored on the beach or moored with "do-it-yourself" buoys. Breaking this rule will authorize the lifeguard to transport the above to storage, authorized by Management.

- Jet skis are partially prohibited on Lake Maggiore We therefore ask you to take a look at the regulations regarding the latter, which you can always find on our website
